

RATE CARD - SCHEDULE 2

Our simple and transparent fee model makes it much easier to understand your order fulfillment costs.

END-TO-END FULFILLMENT

To keep things simple, we charge an all-inclusive fee per case that includes:

- Receiving and checking stock (by pallet)
- Handling into storage
- Barcoding every case
- Interstate transfer to depots
- Picking, labeling and delivery by case

We offer three different service options:

1. REGULAR SERVICE

Powered by Australia PosteParcel, this service available nationwide.

Metro areas orders received by 2pm are typically delivered next day. Regional, Country and Interstate locations and orders during peak periods may take longer. See our [Delivery Time Estimator](#) for more information.
